

PUT A LID ON UNDERAGE DRINKING

Parents have a significant impact on the decisions their children make.

In St Helens we want young people to be happy and healthy and choosing not to drink alcohol is a big part of this.

You can help:

Take the

ACE

pledge

- **Avoid** giving alcohol to your children
- Be **Clued up** about your children's whereabouts at all times
- **Educate** your children about the risks of alcohol

Join the campaign to reduce the harm caused by underage drinking.
